## Qualifications

The starting order of the competition (qualifications) will be made between the 10th and 15th of June 2023 by the official representatives of POSA after the deadline for athlete applications (8th of June 2023) has closed. If a National Federation reduces the number of participating athletes after the definitive inscriptions, POSA/TC has the right to adjust the starting order to ensure the best possible running of the competition.

## Qualifications for the World Championships 2023 & European Championship 2024

Reference is made to the current standards described in the Rules & Regulations 2023.

### POSA European Championships Finals & "Passport Rules"

- The top ten in each category will qualify for the finals.
- No more than **two** (2) athletes per country (same nationality) are admitted to the final. This means that only the first two athletes from the same country will be admitted to the final. In case of more than two athletes from the same nation in the top ten semifinals, the next athletes of different nationalities in the ranking will then be admitted to the final until a total of 10 athletes are reached.
- In case of a tie at any position at the end of the qualifications see *POSA Code of Points*.
- *This rule could also be applied to Aerial's competition, should there be a need to organise semifinals and finals.*

The list of the finalists, including two reserves, will be handed over to the head of the delegation after each qualification. Starting order of the final, is made according to the draw of lots carried out in Olymoic Training Center of Tirrenia (Italy), on the 7th of February 2023, by the official representatives of the POSA.

### Access to the competition area

- The competition area is accessible to the members of the various juries, competing athletes and their accredited coaches, to local group leaders, to the auxiliary personnel of the Jury, to the President of the POSA Medical Commission, the official doctor, the team doctors, medical staff and to persons concerned with the apparatus. A team medical person is permitted to accompany the athletes and coaches during all Competitions.
- Interpreters may not enter the competition area without the permission of the President of POSA/TC.
- The competition area is strictly forbidden to all other persons.
- The use of any kind of electronic devices (video, mobile phones, etc.) is strictly forbidden in the competition area. Please note that, according to the decision of the Executive Committee of POSA, if a mobile phone or any other electronic communication device is used in the competition area during the entire competition, the person concerned (athlete and/or coach) will be immediately expelled. The athlete will not be ranked and will not be authorized to participate in the remaining competitions. If this rule is violated by a coach, all his/her athletes will also be expelled.
- Professional photographing and filming the performances are under written permission by the organizing committee

## **Awards ceremonies**

The ceremonies in the competition venue will take place as mentioned in the time schedule.

## **Poles & Aerial supplier**

The competition podium and training hall have the official POSA poles supplied by **APole** only. Stainless 45mm. Competition stage pole height 4 meters. In the training hall there are several ThePole stainless 45mm stages available along with other warm-up choices.

## **Scoring and distribution of results**

Once the competition has finished, by request, all delegations will be provided with a complete set of results (Difficulty only) by e-mail. However, requests must be sent to the international federation within one month after the end of the competition, after that date, it will no longer be possible.

**As specified in COP 2023, the athlete who changes something in the declaration of the elements, must bring the new Difficulty Sheets in 8 copies directly to the competition.**

## **Music**

To limit the technical problems with the music used for the competitions, the Organizing Committee has decided to only accept the athletes' music in an **MP3** format only. All music used during the 2nd Pole Sport European Championships must be submitted online.

Athletes must send their music by **16th June** via email [contact@posaworld.org](mailto:contact@posaworld.org)

## Inquiries procedure

Inquiries for the difficulty scores will be allowed if they are made verbally **immediately** after the publication of the score or at the very latest before the end of the routine of the following athlete (then 4 minutes). For the last athlete of a rotation (rotation=group of athletes, for example 1st Group of athletes during the competition is called “rotation”), this limit is one minute after the score is shown on the scoreboard.

The person designated to receive the verbal inquiry will have to note the time of receiving it, which will start the procedure. Only the accredited coaches present in the competition area will be entitled to submit an inquiry. **Late verbal inquiries will be rejected.**

A federation will not be allowed to complain against an athlete from another federation. The inquiry will have to be confirmed in writing as soon as possible, but at the latest within 4 minutes after the verbal inquiry and will require an agreement of payment of **EUR 150**—for the first complaint, **EUR 300** — for the second complaint and **EUR 600**— for the third complaint. Should the inquiry not be confirmed in writing within 4 minutes, then the procedure will become obsolete.

Should the inquiry prove correct and be accepted, this sum will be reimbursed. Every inquiry will be examined immediately by the **Superior Jury** and a final decision, which may not be appealed, will be made very soon, at the very latest:

- At the end of the rotation for the qualifying competitions, or at the end of all-around competitions.
- Before the score of the following athlete is shown for the finals.

The detailed procedure is laid down in the respective POSA Code of Points.

## Tie breaking rule

- In case of a tie at any position at the end of a qualification see POSA Code of Points
- In case of a tie at any position at the end of finals see POSA Code of Points

Warning: After the substitute athlete's communication has taken place, Doubles will not be able to make any further changes.

## **How to arrive in Bologna**

Bologna is one of the most interesting cities in Italy in terms of both history and culture. In fact, it is here that the world's first university was founded back in 1088 and it is here that one of the peninsula's greatest cultural ferments took place. A predominantly university town, it has important bus and train stations, as well as the 'Guglielmo Marconi' airport, which offers important national and international connections.

### **How to reach Bologna by train**

Bologna is mainly served by the Bologna Centrale railway station, where both Trenitalia trains, which also offers high-speed Frecciarossa trains, and Italo fast trains arrive. This railway station connects the capital of Emilia to the major centres of the entire peninsula with some direct train connections to other European countries as well.

### **How to get to Bologna by bus**

Regional, national, and international buses to Bologna stop at the bus station located a 5-minute walk from the train station. Bus companies such as FlixBus, Baltour, Buscenter, Alsa, Marozzi, Marino and others arrive and depart there, providing both national and international connections.

[www.posaworld.org](http://www.posaworld.org)

mail to: [contact@posaworld.org](mailto:contact@posaworld.org)

### How to reach Bologna by plane

Bologna is served by the 'Guglielmo Marconi' international airport. Numerous airlines, both scheduled and low-cost, land at these airports. These include Alitalia, EasyJet, Vueling, Ryanair and Lufthansa. Flights to Bologna come from various Italian airports: Naples, Alghero, Bari, Brindisi, Cagliari, Catania, Lamezia Terme, Palermo, Olbia, and Lampedusa, as well as from major European cities such as London, Berlin and Paris, to name but a few.

### Insurance

POSA Technical Regulations stipulate that all participating federations or athletes must assume all costs in relation to the medical insurance of all delegation members (illness and accidents). The Local Organising Committee has the right to verify the validity of the insurance upon arrival of the delegations (policy insurance, original or copy). Entering the European Championships without a valid medical insurance for all delegation members will be rejected.

### Visa

Please check whether you need a visa to enter Spain. The Local Organising Committee will gladly assist you in applying for a visa. The assist must be requested no later than 20<sup>th</sup> of May from [contact@posaworld.org](mailto:contact@posaworld.org)
