A federation will not be allowed to complain against an athlete from another federation. Founded by the Romans in the 2nd century BC as the Forum Livii at the junction of the Via Consolare with the road to Tuscany, the city is in the eastern part of the Po Valley along the Via Emilia, a few kilometres from the seaside resorts of the Adriatic coast (30-35 km) and at the foot of the green hills of the Tuscan-Emilian Apennines .

Forlì today still has significant traces of the Romanesque and Renaissance periods when Caterina Sforza ruled the city unopposed. It also retains a notable presence of the rich heritage of the age of rationalism of the 1920s and 1930s.

It is therefore a city of art; but it also has a large university with prestigious faculties, the 'Ridolfi' airport linked to national and international airports, and a centre dedicated to the creativity of young people, where the frontiers of technology applied to contemporary art can be explored.

## **Reaching Forlì by train**

Forlì railway station, Adriatic line; connections with Intercity trains to all major cities.  
([www.trenitalia.it](http://www.trenitalia.it)).

## **Reaching Forlì by plane**

Forlì is connected to a couple of national and international destinations via the L. Ridolfi airport, usually advertised as 'Bologna Forlì'.

Flights to and from Forlì are usually operated by low-cost airlines such as Ryanair and Windjet.
